6pm on Zoom

Tentative Agenda:

- Approve minutes from January meeting
- Slides from Adam on budget academy - questions or discussion?
- Discuss 2021 expenditures (see attached, which I think is the most complete 2021 expense report we got)
- What are the values of the current budget?
- What expenses might need new/re-named line items for more clarity in the budget?
- Other thoughts, comments, discussion
- Any discussion of new contract with GPD officers union? (What was shared as part of [agenda/minutes at Feb. City Council meeting](#) starts on p. 36.)
- Plan for next few meetings
